

Easy & Inexpensive Ways to Protect Water Quality Your Town • Your Home • Your Lawn

September 20th, 2006, 6:30—8:30 pm
Granby Senior Center, Granby, CT

FRWA, the Towns of Granby and East Granby and UConn-NEMO are hosting a workshop to educate citizens on how to reduce Stormwater Runoff pollution! The New England Rain Barrel Company will offer a rain barrel demonstration.

Please come and learn about:

- Stormwater Basics
- Residential Landscaping Tips
- Rain Gardens & Rain Barrels
- Reducing Impacts on the River & Wildlife
- Jordan Cove Project: A Low-Impact Development

Water Saving Tips
